#### IMPORTANT INFORMATION AND DISCLAIMER

PEAK-System Technik compliance statement is based on information provided by PEAK-System Technik suppliers and is accurate to the best of our knowledge as of the date printed. However, since the presence of certain substances restricted by these Directives are controlled by the raw materials manufacturer, PEAK-System Technik bases its claims on manufacturer claims and not necessarily by destructive testing or chemical analysis on incoming materials. Certain PEAK-System Technik suppliers consider material content information to be proprietary, and thus Chemical Abstract Service (CAS) numbers for some materials may not be available for release. In no event shall PEAK-System Technik liability arising out of such information exceed the purchase price of the PEAK-System Technik product(s) sold. Legislative changes introduced after this document release date may make this certificate invalid. Contact PEAK-System Technik for the most current document revision.
